

30 November 2007,

Hi All,

Wow-its raining, its POURING!! We have been hit by the highest rainfall in 100 years in November-over 200mm's for the month. As a result the building projects are all behind schedule but the estate is looking green & lush.

Brettenwood "Smart Village"

The smart village installation is on track to start in January 2008 and be complete by March 2008. We can't wait-no DSTV dishes, no more Telkom dealings, video on demand, CCTV, intranet and super-fast, reliable internet access!

"Forest Village on Brettenwood"- ideal for active over 50's

The show house already has a roof on! It really is starting to take shape. Due to the strong level of sales the balance of the first phase of units will be started early in the New Year!

Should you be interested in viewing plans or the show-house contact: Bev Murray on 082 658 1181 or bev@brettenwood.co.za

Registry Affiliation

We are extremely proud of the Estate's affiliation with the Registry brand. Check-out www.registrycollection.com. The benefits & details will be posted on the website by the end of the year. A real feather in our cap is that we are only the second estate in Natal to be awarded the affiliation, after the Zimbali Beach Club!

Main Clubhouse & Falling Waters Spa & Gym.

Very exciting news is the finalisation of our partnership agreements for the state of the art "Wellness Centre, Spa and Gym" including an exclusive eatery. We will be revealing our partners on the website early in the New Year and we will hopefully be able to start construction by April. This facility will be unlike anything else on the North Coast & will be situated at the Gatehouse with separate access for the general public & residents. Once you see the plans you may never want to leave home for a holiday again!

Look out for our new look & updated website which should be up and running by Christmas.

Speaking of which I hope you all have a safe & peaceful festive season. This will be the last tracker letter of the year-so enjoy your holidays & I hope to see you all on-site & building soon in the New Year!

Regards
Brendan Falkson
Hulett Development Company (Pty) Ltd.
